

Tom & Dan,

I just wanted to say thank-you to you guys for doing a fantastic job on my workers comp case. Not only did you guys get a great settlement figure for me you were down to earth, easy to talk to, and maybe more so than anything else any question i had you answered in a timely manner and you always returned my phone calls. I know i wasnt an easy client to deal with but you two were always cordial and informative about how the system worked. I was really impressed by the respect you get in the court room. The judge knows that you two really know your job!!!! I can assure you that i will recommend either of you at the Wolf Baldwin Law Firm. Your casual atmosphere will make any nervous clients feel at ease and the lawfirm is lucky too have the two of you. GREAT JOB GUYS!!!!!!
